Mr. William W. Bodine, Jr., President
World Affairs Council of Philadelphia
The John Wanamaker Store
Thirteenth and Market Streets
Philadelphia, Pennsylvania 19107

Dear Mr. Bodine:

STATINTL

Thank you so much for your kind letter of July 3rd. My visit to Philadelphia was a great pleasure for me and [REDACTED] so much so in fact that I plan to come up with the whole family some weekend in the fall. I will attempt to reach you then, and perhaps we can visit again.

I have discussed your invitation and that of the Philadelphia Committee on Foreign Relations with Admiral Turner. I am sorry to report that his schedule will not permit a visit to Philadelphia in the months ahead. He asked me to assure you of his keen interest in the World Affairs Council movement, and the fine work that you and your colleagues are doing in Philadelphia.

STATINTL

I think I told you when we met that I am about to embark on a new assignment. I will be at Georgetown University for a year as a visiting scholar, teaching and doing research. My successor here is [REDACTED] and I have asked him to keep your invitation in mind in the event that there should be an opening in Admiral Turner's schedule that would permit him to visit Philadelphia.

Thank you for your interest in the Agency and the foreign intelligence profession. I look forward to meeting with you and to discussing these things again.

Sincerely,

STATINTL
